3. HB No. 14 – Approval for Bingo/Raffle Code Modifications*

Chief Operating Officer, Becky Schroeder, requested approval from the commission to submit the Bingo/Raffle Code modifications to the Governor's office in compliance with House Bill 14, the Idaho Code Cleanup Act. This modification includes the elimination of the Bingo Raffle Advisory Board and all associated references. The advisory board is no longer necessary due to the Lottery having subject matter experts employed in this area, as well as the inability to secure members to fill these voluntary positions throughout the state.

Commissioner Stright moved to approve the submission of the Bingo/Raffle Idaho Code modifications. Commissioner Bloem seconded the motion. The vote was unanimous for approval.

4. Set the Dividend*

Chief Financial Officer, Ben Klotthor, requested that the Commission consider a Dividend set to either \$74 million or \$75 million depending on whether the winner of the Million-Dollar Raffle comes forward by close of business today to claim that million dollar prize. If the winner does not come forward our dividend recommendation is \$75 million, if the winner comes forward by the end of day, our dividend recommendation is \$74 million.

Commissioner Smyser moved to set the dividend at either \$74 million or \$75 million depending on whether or not the winning ticket is validated by a player by close of business. Commissioner Kerrick seconded the motion. The vote was unanimous for approval.

5. Adjournment
